

STUDENT INVESTMENT PROGRAM

About the Program

Florida's Training for Emergency Management is excited to launch the **Student Investment Program (SIP)**! This unique program offers valuable tools for early career development, designed to help students transition from the academic world to the professional with real-world applications in emergency management.

The Student Investment Program will focus on the development of:

- soft skills (*communication, teamwork, adaptability, problem-solving*)
- critical thinking

These skills will be integrated with key emergency management topics, enabling students to understand how these soft skills are applied in real-world scenarios.

OUR GOAL: To better prepare the next generation of emergency management professionals, making their transition into the workforce smoother and ensuring they feel more confident and capable.

TARGET AUDIENCE: College Sophomores to Graduate Students

APPLICATION PERIOD: June 9 - July 31, 2025
